

Bush Iris

This was one of the first Essences to be prepared. It is an Essence to open people up to their spirituality and to access the doorway to their higher perceptions. It allows the trinity to flow into a person and is an excellent remedy to give someone who has just started meditation or 'conscious' spiritual growth. In the negative mode there will be materialism and/or atheism. There may also be a deep seated fear of death.

Negative Condition:

- fear of death
- materialism
- atheism
- physical excess
- avarice

Positive Outcome:

- awakening of spirituality
- acceptance of death as a transition state
- clearing blocks in the base chakra and trust centre
