

Mulla Mulla

Mulla Mulla is for the personal recovery from the shattering experience of burns from heat or fire. This Essence reduces the negative effects of fire and the sun's rays. It is for those with a fear of fire or flames (often from a past life). If this fear is unconscious it will often manifest in a lack of vitality, as if they wish to fade away. If a person presents with this picture they can, with appropriate counselling, reveal this fear of fire or hot objects. This Essence was made up in Palm Valley, one of the hottest parts of the country and where some of the oldest plants in Australia are found.
