

Red Grevillea

This Essence is for people who feel stuck. It acts as a catalyst for those who know what they want to achieve but do not know how to go about it. It is for people who are too reliant on others. It promotes independence and boldness. This Essence is extremely effective though the changes may not be as anticipated. Like the Grey Spider Flower this plant is a member of the Grevillea family and its flowers are a dark red colour, similar in colour to the Waratah.
