

# **Arkopharma Migrastick Roll-on 3ml Tech Sheet**

## **Description**

Migrastick is an easy-to-use roll-on containing 100% pure and natural essential oils of Lavender and Peppermint for the relief of headache, migraine, stress and tension. A handy roll-on that fits into your pocket, handbag, glove-box or school bag.

Migrastick is most effective if applied before the onset of a headache. The earlier you apply Migrastick the better. The Migrastick contains Lavender oil that acts as an analgesic, producing a sedative, relaxing effect which in turn eases the headache, and peppermint to increase alertness.

## **Directions**

Directions for Use: Roll-On the temples (well away from the eyes), back of the neck and forehead whenever relief is require.

## **Ingredients**

Contains: 100% essential oils, Peppermint and Lavender.
