

SC551 MANDELL

ANTI-BAC PERFUMED HAND CLEANER

PRODUCT DESCRIPTION:

MANDELL – Anti-Bac Perfumed Hand Cleaner is a pink coloured, pleasantly perfume neutral liquid hand gel formulated with an antibacterial agent to control bacteria and the spread of germs. The product also contains emollients to minimise the drying out of the skin on hands. **MANDELL** generates excellent lathering qualities in hard and soft water and rinses cleanly leaving a crisp and clean experience.

USE & DILUTION RECOMMENDATIONS

No more soil / bacteria contaminated soap being passed down the line. **MANDELL** is an ideal and economical hand gel that every ship, support vessel, oil & gas platform, port facilities, accommodation villages and food preparation establishments should have in their inventory. It can also be used in public amenities, catering, schools, hospitals, industrial workshops and health clubs.

FOOD PREPARATION AREAS

MANDELL is the perfect product to cut the cross contamination of bacteria that is quite often found in food preparation areas. Regular hand washing is mandatory in the commitment to reduce / eradicate contamination leading to sickness in work place establishments.

Use as received in stand alone 375ml or 1lt plastic bottles or decant into wall mounted dispensing equipment. When decanting the bulk product into dispensing equipment do not contaminate the fresh product by using contaminated transfer vessels.

FREE ON LOAN dispensers will be of consideration in conjunction with your representative.
