

Saline Ultra Nasal Spray is a saline solution that contains ingredients traditionally used in aromatherapy for the relief of nasal congestion and for the relief of symptoms of mild coughs, colds and sinusitis.

Directions

Adults: Administer 1 spray (120 µL) into each nostril every 4 hours. Shake the container before use.

Ingredients

Each 1 mL contains 8 mg of sodium chloride, 1.5 mg of Eucalyptus Oil and 1.5 mg of Peppermint Oil.
