

Geranium Egypt

Pelargonium graveolens

Geraniol (8%), citronellol (37%), linalool (3%), geranyl formate (2%), citronellyl formate (11%), guaia-6,9-diene

Aerial Plant

Egypt Select As above, similar to the Bourbon oil. To forestall confusion, all our Geraniums are 'Rose Geranium' oils or rose-scented. Sadly, this name has often stood for so-called essential oils that are fractions of Geranium oil with synthetic rose fragrance added!
