

VALLEY ROSE DEODORANT 50ml

This is our esteemed essential oil fragrance. Using the most expensive essential oil in the world, Bulgarian rose otto essential oil (*rosa damascena*), gives this fragrance a truly romantic note and opens the heart chakra. *(2ml of the rose Otto essential oil sells for a staggering AUD\$298.00! That price is NOT a misprint. I only use the very best essential oils I can source in all of my products.)*

Blended with areated salt, this award winning deodorant will keep even the busiest person odour free all day. Dries quickly, non sticky. Animal cruelty free accredited and suitable for vegans. Contains some emmenagogue oils and is therefore not recommended during pregnancy. 50ml (1.69oz)

Say NO to aluminium deodorants.
