

## Honey Chai

*Made from the finest black tea leaves available, aromatic fresh whole spices and infused with locally sourced raw honey. The complex flavours and enticing aroma make for an exotic spicy brew.*

## Chai Dust

*An exquisite blend of aromatic spices and organic panella. The perfect finish for your Honey Chai Latte.*

## Matcha Latte

*We have selected premium grade handpicked traditional Japanese Matcha and combined it with creaminess and sweetness to make the perfect Matcha latte. Japanese Matcha has up to 137 times the antioxidants of regular green tea, therefore not only does this drink have fantastic health benefits it also tastes great.*

## Turmeric Latte

*Turmeric is well known for its high anti-inflammatory and anti-oxidant properties. Black Pepper is essential to helping the bodies absorption of the curcumin that is produced by turmeric. Ginger and Cardamom aid in digestion, Chilli and Cinnamon are also high in anti-oxidants and anti-inflammatory properties, and Vanilla is an all-round super food. And the best thing of all it tastes amazing.*

## Turmeric Dust

*A divine blend of freshly ground spices and organic coconut sugar. The perfect finish to your Turmeric Latte.*

## Spiced Chai Latte

*The Infuse Tea Company's Spice Chai Latte powder is a blend of real ground spices, ground black tea, coconut sugar and honey. Warm, spicy, creamy, and sweet. This silky smooth aromatic drink will entice your senses. If you want a chai latte in an instant, this is the product for you.*

## Beetroot Chocolate

*Beetroot Chocolate blends the finest cocoa powder with beetroot powder and coconut sugar. This chocolate lovers dream is packed with nutritional benefits, beetroot helps to lower blood pressure, increase stamina, fight inflammation as being high in Vitamin C, fiber and essential minerals. This luxurious hot chocolate will leave you wanting more.*

## Chilli Chocolate

*Chilli Hot Chocolate powder is a blend of 40% Cocoa and Coconut Sugar with a hint of Chilli. Enjoy mouthfuls of rich cocoa and toffee like sweetness from coconut sugar with a tingly warmth to finish. This full bodied hot chocolate will leave you completely satisfied.*
