- After wearing, rinse under cold water until the water runs clear, then wash on a cold machine cycle with a gentle detergent and line dry.
- Do not tumble dry
- Do not iron
- Do not bleach
- Do not use fabric softener as these reduce fabric absorbency.

## CONSTRUCTION

All styles contain an absorbent cotton gusset available in two different absorbencies or thicknesses; **Light absorbency**, suitable for a light flow - equivalent to 1 mini tampon and **Moderate absorbency**, suitable for a medium flow - equivalent to 1 regular tampon.
