

JUJU CLOTH PADS

INDICATION

JuJu cotton cloth is a reusable alternative to disposable pads and is suitable for menstruation, light bladder leakage (LBL), and incontinence.

JuJu cloth pads do not contain any fragrances, formaldehyde, dioxins, or absorption agents that often cause skin irritation.

Pure Cotton Range (cream colour)

Organic Cotton Range (brown colour)

Organic Cotton Regular Pad (back and front)

Pure Cotton Regular Pad (back and front)

INGREDIENTS

- Pure or organic cotton
- Waterproof PUL layer
- Plastic nickel-free snaps

CARE

- Pre-wash pad by hand or machine before using for the first time.
- During the menstrual cycle, pre-rinse pad in cold water until water runs clear or leave to soak overnight, or either;
 - Hand wash: Hand wash with detergent in warm water, or;
 - Machine wash: On a gentle, warm wash cycle.
- Hang pad on the line, in the sun if possible.
- Staining: Some staining is normal due to the absorbent nature of the natural cotton. For heavy or stubborn stains, rub bicarb soda with a little water on the stain. Rinse and line dry.
