

Key Sun Aloe After Sun Lotion 200g Tech Sheet

Description

Aloe Vera After Sun Lotion soothes and calms sun exposed skin.

'Coconut Scented' Key Sun Aloe Vera After Sun Lotion has been formulated to be non-greasy and contains Vitamin E, Aloe Vera and Menthol to provide soothing relief for discomfort caused by exposure to the sun.

Directions

If you have sensitive skin, it is recommended to test on a small area of skin prior to use.

Apply generously to clean skin after sun exposure to hydrate, sooth and repair. Re-apply as required.

- Avoid contact with eyes.
 - If irritation develops, discontinue use.
- STORE BELOW 30°C.
