

Immunity Guard Roll On 10mL

Description

The protective action of Eucalyptus, Lemon Eucalyptus, Rosemary, Lemon, Cajeput & Tea Tree essential oils have been traditionally used in aromatherapy for their natural antibacterial properties to help support a healthy immune system. These powerful oils also help assist in the treatment of minor skin infections such as facial cold sores, mild acne and warts.

How to use this product

(Adults and children 2 years and over, use as required or up to 6 times a day): Apply to affected area as required.

Ingredients

Each mL of PURE ESSENTIAL OIL contains essential oils from: Eucalyptus, Lemon, Rosemary, Cajeput and Tea Tree in a base of Grape Seed and Sweet Almond Oil
