

Jojoba Oil 100mL

Description

A light oil, rich in Vitamin E, which penetrates easily into the skin and is very suitable for oily and combination skin types. Suitable for face and body. Jojoba oil has the longest shelf life of all the carrier oils as it is a liquid wax and does not oxidise.

How to use this product

Adult: For the symptomatic relief of the symptoms of eczema and relief of the effects of Psoriasis on the skin: apply directly to the affected area as required.
