Wet puppy thoroughly with clean warm water. Apply Puppy Gentle Shampoo at several areas of puppy's coat and gently massage evenly through the coat and onto the skin to form a rich even lather. Rinse well with clean warm water.

#### BENEFITS

The PAW Gentle Puppy Shampoo is specifically designed to be an effective gentle cleanser of the coat and it is compatible to even the most delicate skin. It is pH balanced and uses an optimal blend of natural plant cleansers combined with the essence of chamomile, known to be nurturing to young skin.

PAW Puppy Gentle Shampoo uses pawDerm® technology that combines:

- Hypoallergenic soap free / sulphate free cleansers for an effective gentle clean without stripping natural oils from young skin.
- Rich moisturising ingredients.
- Natural essential oils to nurture young skin & provide a fresh pure scent and a beautiful fragrance.

All PAW topical products are formulated free from sulphate cleansers, paraben preservatives, silicones, phthalates, petrochemical cleansers and artificial colours & fragrances.
