

2 IN 1

CONDITIONING & GROOMING SPRAY

Lavender + Jojoba

The **PAW Conditioning & Grooming Spray** moisturises, detangles & strengthens the coat, making grooming easy between washes. This alcohol, sulphate and soap free formula is the gentle, effective way to keep your dog's coat in great condition in a simple spray.

SIZE & FORMAT

- 200mL bottle with 'QuickSpray Control' that continues working at any angle.

APPEARANCE

A direct clear liquid.

DOSAGE

Just a few sprays and a comb through for a soft, silky, tangle-free coat that smells naturally fresh.

WHEN TO RECOMMEND

Ideal for all adult dogs. Ideal for caring pet owners who want the best grooming care for their pet.

APPLICATION

Use between washes to freshen the coat, it can also be used after bathing for the extra special finish. Spray directly onto the coat. It will spray on wet to allow the product to be groomed through the coat, and will dry in minutes.

BENEFITS

PAW 2 in 1 Conditioning Shampoo is pH balanced for adult dogs with healthy skin, using pawDerm® technology that combines:

- Hypoallergenic soap free / sulphate free gentle cleaners for an effective gentle clean without irritating or stripping natural oils from the skin.
- Rich moisturising & nourishing conditioners to soften, detangle & enrich the coat & skin.
- Natural essential oils of lavender & jojoba to nurture the skin & provide a fresh pure scent.

All PAW topical products are formulated free from sulphate cleansers, paraben preservatives, silicones, phthalates, petrochemical cleansers and artificial colours & fragrances.

SAFETY DIRECTIONS

Not applicable.

COMPOSITION

Aqua (purified Australian water*), glycerin (vegetable), panthenol, cyamopsis tetragonoloba (guar) gum, hydrolysed oats, Simmondsia Chinensis (jojoba) seed oil, Lavandula Officinalis (Lavender) oil

RELATED PRODUCTS

- Use **PAW 2in1 Conditioning Shampoo**, a sulphate free and soap free shampoo effectively cleans and conditions the coat and skin while bathing.
- Essential 6 Spot-on** for additional topical essential fatty acids supplementation.
- For additional skin health and coat shine, consider using **PAW Dermega® Omega 3 & 6 Oral Supplement** in the diet to improve your pets omega balance & intake.
