Cleans & Revitalises Pores

Acne Control Moisturiser 50ml

Hydrate, balance & renew your skin. Specially formulated for blemish prone skin featuring Vitamin B5, jojoba, aloe vera & vitamin E.

Say hello to the healthy, clear, smoother looking skin you deserve with skinB5. Just like our bodies, healthy skin requires daily hydration that is both soothing and regenerative.

Light & non-greasy, this nourishing moisturiser provides deep hydration while healing & restoring a healthy skin barrier.

Specially formulated with antioxidants, it is ideal for skin that may be prone to irritable breakouts.

A unique hydrating formula that deeply moisturises skin and prevents breakouts by restoring your skin's natural defence.

Benefits:

- Cell renewal & healing
- Natural extracts
- Cleans & revitalises pores
- Australian made

Ingredients:

Water, Cetyl Stearyl Alcohol, Cetearyl Alcohol & Cetearth-20, Glyceryl Stearate, Caprylic/Capric Triglyceride, Disodium Cocoamphodiacetate, Glycerin, Acrylates Copolymer, Peg-7 Glyceryl Cocoate, Diazolidinyl Urea, Disodium EDTA, Allantoin, Panthenol (Vitamin B5), Polysorbate 20, Simmondsia Chinensis (Jojoba) Seed Oil, Tocopheryl Acetate (Vitamin E), Camellia Sinensis (Green Tea) Leaf Extract, Aloe Barbadensis (Aloe Vera) Leaf, Citrus Aurantium Bergamia (Bergamot) Fruit Oil, Triethanolamine.

No Benzoyl Peroxide, No Parabens, No SLS or SLES, No Synthetic Fragrances

How to use:

Gently massage 1 pump into face & neck after cleansing. Apply alone or under makeup as a primer.

In drier seasons, add 1 or 2 drops of high-quality skin oil.

Use the revolutionary skinB5™ vitamins & skincare range as part of a skin wellness routine.

Beauty Hacks

- For drier skin, mix 1-2 drops of high-quality skin oil with the moisturiser.
- Apply on shaved skin instead of stinging after shave products.

Key Ingredients:

Aloe Vera

Recent studies have shown that aloe vera facilitates the healing of wounds and damaged skin tissue.

Green Tea

Green tea has proven anti-bacterial properties. Green tea's antioxidants have been shown to be highly beneficial in treating acne.

Vitamin B5

Helps control skin oil and will assist in soothing and purifying the skin.

Bergamot Oil

Bergamot has antibacterial and drying properties making it an ideal pimple treatment. It exudes a citrus aroma that has a calming effect on the mind, body, and soul.
