Australian Botanicals Cleansing Mousse 150ml

Deeply cleanse & refresh your skin with 8 super active native extracts.

Kangaroo Flower, Tasmanian Blue Gum, Snowflower, Silky Oil Grass, Mountain Pepper Berry, Kakadu Plum, Davidson Plum, Quandong & vitamin B5.

The secret of healthy skin begins with the perfect deep cleanse – one that is gentle enough to use every day.

SkinB5's Australian Native Botanicals Cleansing Mousse uses botanical extracts sourced from the Australian landscape to provide a thorough cleanse that is rich in potent nutrients specially selected for acne prone skin. Featuring Vitamin B5, Green Tea and Aloe Vera, this advanced formula contains a special blend of 8 anti-acne botanicals and is ideal to use in conjunction with the skinB5 skincare range.

Using the power of cellular extraction, the integrity of the ingredients' natural molecules are suspended in a liquid matrix, allowing their benefits to be harnessed in a breakthrough product designed for everyday use.

Say hello to the healthy, clear, glowing skin you deserve. No matter what your skin type, a gentle & thorough cleanse is the start of a healthy looking complexion.

This advanced formula uses botanical extracts sourced from the Australian landscape to provide a soothing, non-drying cleanse that is rich in active nutrients specially selected for acne-prone skin.

Benefits:

- Anti-pigmentation Vitamin C
- Anti-acne natural extracts
- Controls skin oil
- UV damage protection
- Cleans & revitalises pores
- Australian made.

Suitable for all ages and skin types.

No Benzoyl Peroxide, No Parabens, No SLS or SLES, No Synthetic Fragrances

How to use

Morning & evening, apply 1 pump on wet palms, gently massage into skin. Rinse away with water.

Can be used to remove light makeup & as a gentle shaving foam.

Use the revolutionary SkinB5™ vitamins & skincare range as part of a skin wellness routine.

Beauty Hacks:

- Removes light make up
- Use our cleansing mousse to shave
- Safe on false eyelashes – our cleanser will not melt the glue!
- Use on any part of your body with skin breakouts

Key Ingredients:

Quandong

Full of powerful bio-actives, protecting the skin against environmental damages, anti-pigmentation, anti-inflammatory, and promotes healing.

The Davidson plum

Acts as a natural AHA, encouraging collagen and elasticity production which helps reduce fine facial wrinkles, jam-packed with antioxidants assisting in reducing swelling and anti-aging.

Kakadu Plum

A natural antibiotic prevents bacterially produced acne. Full of Vitamin C means it's also fantastic for anti-aging.

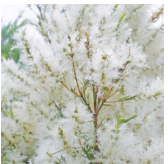

Silky Oil Grass

Belonging to the same Genus as Lemon-grass. It has a place in traditional Aboriginal medicine and has been used in a variety of ways to treat a range of ailments. It's antibacterial, reduce redness and oils (and production of oils) and facilitates collagen production- perfect for acne-prone skin.

Mountain Pepper Berry

Full of antioxidants, this potent extract is perfect for those wanting to battle damaged skin like scarring and pigmentation. It's anti-inflammatory, combats antiaging, strengthens capillaries and is full of Vitamin C.

Snowflower

A precious and rare phyto-active ingredient that helps the face look smooth, youthful and radiant. Rich in catechins, the snowflower is 100 times more potent in antioxidants than Vitamin C and 25 times more potent than Vitamin E! It even has repairing agents that help reduce pigmentation and sunspots.

Tasmanian Blue gum

Eucalyptus is a globulus leaf oil. The unique Australian 'pioneer species' has evolved over millions of years and has the ability to create and store an abundance of powerful photoactive compounds. Discover powerful actives that are known for supporting anti-pigmentation, antiaging, collagen and elastin production and anti-acne repair, hydration, and anti-aging.

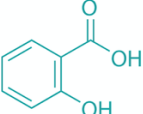

Kangaroo Paw Flower

An extract offers a range of photoactive compounds known for their positive effects on skin

Aloe Vera

Recent studies have shown that aloe vera facilitates the healing of wounds and damaged skin tissue.

	<p>Green Tea Green tea has proven anti-bacterial properties. Green tea's antioxidants have been shown to be highly beneficial in treating acne.</p>
	<p>Vitamin B5 Helps control skin oil and will assist in soothing and purifying the skin.</p>
	<p>Bergamot Oil Bergamot has antibacterial and drying properties making it an ideal pimple treatment. It exudes a citrus aroma that has a calming effect on the mind, body, and soul.</p>
	<p>Salicylic Acid Helps gently remove dead skin cells that cause pimples. A very safe effective ingredient for treating acne and oily skin</p>
