

SIX OILS OF REJUVENATION

DETAILS

A vegan anti-oxidant booster treatment for all skin types.

A deeply hydrating blend of organic oils which are high in essential fatty acids and Vitamin C combine to boost your everyday moisturiser.

A powerful multiple-oil facial skin treatment and rejuvenator formulated so that the individual benefits of each oil are most potent.

Combining Avocado, Carrot Seed, Sunflower, Evening Primrose, Sweet Almond, Rosehip and Jojoba Seed to create a super blend.

Improves the skin's natural defences and delivers a healthy, smooth, well nourished skin.

Carrot Oil is rich in beta carotene (Vitamin A) which together with Vitamin E and essential oils of Ylang Ylang and Rosemary helps to rejuvenate dry damaged and stressed skin while you sleep.

A nourishing addition to your nightly designed to help hydrate and revitalise the appearance of skin.

Herbal potency along with select vitamins and antioxidants helps to improve the skin's natural defenses and deliver the appearance of healthy looking skin by morning.

Application: Massage 3-5 drops all over face. Can be added to moisturiser to boost hydration. This step can be introduced at night after cleansing by massaging 3 to 6 drops into skin including the neck and décolletage once or twice a week. In the morning 1 – 2 drops can be added to Nourish & Hydrate or Balance and Replenish moisturisers to provide a nourishing boost.

For some once every 2 weeks is sufficient. Some love to use it nightly.

Balance and Replenish or Nourish and Hydrate moisturisers may be used over the top for added benefit and nourishment.
