

BREATHABLE SUPER FOOD INFUSED NAIL COLLECTION

DETAILS

This innovative, breathable and water permeable nail polish features a unique blend of high performance active and organic ingredients to help stimulate nail growth and repair damage. The potent, vegan blend of Organic Super Food ingredients work to nourish, hydrate and revitalise nails for an overall boost to nail health.

Infused with Broccoli Seed Extract rich in Vitamins A, B, K, E and containing up to 100 times the antioxidant compounds of a Broccoli head, assists in moisturising and hydrating the nails through outstanding water retaining properties.

Bamboo Isoflavones deliver impressive nutrients to the nail, boosting resiliency against chips and scratches, whilst providing long term shine and more vibrant polish colours. The addition of Camellia Seed Oil imparts nourishment and hydration to the skin and cuticles.

Further contains:

- **Ginseng and Lemon's** revitalising and detoxing properties improve nail health by fighting inflammation and improving moisture retention.
- **Aloe Vera Juice's** rich Polysaccharides content retains moisture and soothes the nail, skin and cuticles.
- **Pomegranate and Grape's** highly antioxidant, brightening properties improve the appearance of naked nails with every polish wear.
- **Acai Sterols** acts as a natural silicone barrier to protect the nails and lock in hydration.
