

ESSENTIAL OILS

LEMON MYRTLE ESSENTIAL OIL (BACKHOUSIA CITRIODORA)

This purest quality Australian grown and made Lemon Myrtle Essential Oil is SimplyClean's star ingredient and signature fragrance. Our 100% pure essential oil is distilled from the leaves of the Australian native rainforest tree, Backhousia citriodora.

Lemon myrtle is refreshing and energising and has proven natural antibacterial properties. Use this essential oil for relaxation, settling your senses, and creating a soothing atmosphere in your home anytime. Diffuse through the home during sickness; and routinely during the cold and flu season, using a diffuser or oil burner. Dilute into a cream or carrier oil, before applying to skin. Our oil is grown locally in the Northern Rivers of NSW, Australia. It's pure Australian goodness.

LIME ESSENTIAL OIL (CITRUS AURANTIFOLIA)

This 100% pure Lime Essential Oil is steam distilled from the leaves of Australian grown lime trees, Citrus aurantifolia. Steam distilled lime oil is not photosensitising to skin like cold pressed oil, so ours can be used in creams, lotions or a carrier oil on your skin, without fear of the effects of the sun.

Its distinctive fragrance is clean, fresh and uplifting. Use to brighten your home and heighten your senses. Dilute into a cream, lotion or carrier oil, before applying to skin. Can be used in a diffuser or oil burner for the home. Our oil is grown and produced in Victoria.
