

CALENDULA Intensive Body Cream

CALENDULA Intensive Body Cream

75ml

Nourishes and Soothes

Trust our mild and rich all-round skincare with beneficial, natural ingredients to moisturise dry patches all over baby's face and body. An extract of sunny, organic calendula soothes, whilst lanolin prevents from dryness and adds extra care.

- Ideal for dry skin on face or body
- Intensively nourishes and protects from moisture loss
- Supports skin's natural functions
- Dermatologically proven for skin compatibility, even on sensitive skin.

▶ +38% increased skin moisture*

▶ +100% Provides intensive care**

Fragrance Note

The floral sweet scent of palmarosa and Roman chamomile is calming and relaxing. Woody-balsamic base notes with amyris convey a feeling of warmth, security and support.

Key Ingredients

- **Organic Calendula**
Contains carotenoids and flavonoids to soothe redness and promotes the formation of healthy skin.
- **Sesame Seed Oil**
Has great skin caring properties, with a high content of unsaturated fatty acids and vitamin E.
- **Lanolin** (wool wax)
Has a consistency and composition very similar to human skin sebum. It has moisturising properties and is suitable for dry and rough skin, including the nappy area.

How To Use

Use every day for dry skin on face and body or non-irritated nappy area to leave skin velvety soft and smooth. Gently apply on larger areas when baby needs extra care. Suitable from first day.

*tested after 28 days **assessment of the parents after 28 days
