Skin Food Body Lotion

Intensive nourishment for dry skin.

Inspired by the proven Skin Food formula for rich, intensive skincare, the new Body Lotion absorbs quickly, provides intense, long-lasting moisture to dry skin and envelops it in the iconic Skin Food scent of sweet orange, aromatic lavender and warm vanilla notes from benzoin resin.

Comfort food for your skin

- Skin moisture improved
- With natural ingredients - plant oils and extracts
- Easy to apply and fast-absorbing formula
- Non-greasy

Packaging

- 97% rPET bottles (except label and cap)
- 100% Recyclable

Formulation

- High lipid content (27%)
The lipids present in cosmetics intended to be applied to human skin to protect and improve the appearance of body, form a protective barrier on the skin, protect from external harmful substances and help to keep it hydrated and soft
- Dermatologically proven
- 100% Certified Natural Care
- Vegan

DRY TO VERY DRY SKIN

Deeply nourishing and intensive moisturisation

- Activates nature's restorative power
- Provides intensive and long-lasting moisture
- Immediate comfort feeling
- Skin feels supple, soft and healthy

Key Ingredients

Viola tricolor, rosemary, organic calendula, chamomile, sunflower seed oil and shea butter.

Skin Food Signature Fragrance

A unique scent with sweet orange and aromatic lavender, completed with balsamic notes from benzoin for a warm depth.
