*not all key ingredients are in each Skin Food product.
See INCI for specific product ingredients.

Skin Food

75ml & 30ml

Skin Food

Intensively nourishing and regenerating skin care

- Intensive nourishment for very dry and rough skin
- Provides intensive moisture and protects skin from drying out
- Long-lasting relief from dry skin and rough patches
- Contains a high portion of fats, which help care for the skin
- Formulated in 1926

How to use

Apply generously several times a day, wherever your skin needs extra help – especially on rough, dry areas like hands, feet and elbows

Tips on other uses

- Revitalising face mask, make-up primer, highlighter for cheekbones, ideal travel or in-flight companion
- To deeply nourish hard-working, dry hands liberally apply the cream on the hands, cover with cotton gloves and leave on overnight

Skin Food Light

75ml & 30ml

Skin Food Light

Instant moisturising

- Intensive care and nourishment for dry skin
- Immediately provides moisture
- Long-lasting relief from dry skin and rough patches
- Light formula, quickly absorbed without feeling greasy
- Regenerates the skin's protective barrier
- Leaves the skin feeling soft and smooth

Tips on other uses

- Perfect for summer use
- Ideal as make-up primer
