- **Sulphur**
Antimicrobial and anti-seborrheic

**HIT
THE SPOT
WITH
NATURE'S
POWER.**

#naturallyclear

Blemished Skin Facial Care

STEP 1:

Purifying Gel Cleanser

Deep pore cleansing

- For a radiantly beautiful complexion
- Gently cleanses deep into pores without drying out
- Visibly reduces the appearance of reddened skin, excess sebum, skin oiliness and shininess
- Helps prevent skin impurities from forming
- Removes make-up
- Antibacterial formula

How to use

Apply daily or as required, morning and evening on damp hands and gently massage onto face, avoiding the eye area. Rinse off thoroughly with water and apply face care products as usual.

STEP 2:

Refining Lotion

Matte effect

- For a radiantly beautiful complexion
- Moisturises, soothes skin and helps prevent skin impurities from forming
- Refines skin texture for an even complexion
- Reduces skin shininess, calms the skin
- Fast-absorbing and does not block pores
- Light, non-greasy, antibacterial formula

How to use

Apply daily, morning and evening on cleansed skin on face, neck and décolleté areas. Can be applied under make-up.

STEP 3:

S.O.S. Spot Treatment

Calming and cooling

- Visibly reduces spots and blackheads
- Relieves feeling of pressure and tension overnight
- Reduces redness of spots over night
- Reduces excess sebum
- Oil-free, antibacterial formula

How to use

Apply a thin layer directly on spots or impurities where needed. Reapply day or night as needed. Can be applied under make-up.
