## YLANG YLANG + IRIS

### HARMONISING AND BALANCING

Indulge the senses in the tender fragrance of sweet ylang ylang and delicate iris, for a petal-soft experience for mind and body.

## GERANIUM + LITSEA CUBEBA

### UPLIFTING AND REFRESHING

Feel alive and refreshed as the elegant floral blend with geranium and Litsea cubeba envelops you, for an uplifting, joyful treat for mind and body.

## GINGER + PETITGRAIN

### REFRESHING AND INVIGORATING

Invigorate the senses with an expert blend of spicy ginger and reviving, refreshing petitgrain - perfect for a morning boost to the senses.

## LAVENDER + VETIVER

### SOOTHING AND RELAXING

Relax and unwind with the soothing blend of aromatic lavender and woody vetiver for a calming and relaxing experience.

### How to use

Lather the shower bar directly on wet skin. Rinse thoroughly. Allow the bar to dry after use and store in a dry place.

## ETHICAL FARMING PROJECT

At Weleda we do not only make beautiful natural care products, we also work with and for the good of the planet, the plants and the people who grow and rely on them. Lavender, iris and ylang ylang – raw materials contained in our Weleda Shower Bars – are the result of our long-term partnerships and community commitments. At Weleda, we focus on establishing long-term growing projects, fair remuneration for all, the advancement of women and supporting our workers to create a better balance between their family and their career.
