

Wild® Clinical Shampoo Range

NEW

Hair Protect

Formulated to minimize hair loss and damage, and promote new hair growth

Anti-Dandruff

For use with oily or itchy scalp conditions that can lead to dandruff

Sensitive Scalp

A mild medicated shampoo For the relief of sensitive scalp conditions that may also be associated with dry or damaged hair

WHAT'S DIFFERENT?

PPC's new range of clinical shampoo's have added functional ingredients like biotin, arginine, B12, and allantoin that are not found in our usual Wild or Herbanica range of Hair care products.
