## space clearing essence skin & space mist (50ml or 100ml)

Space Clearing essence contains these Flower Essences:

**A combination of profoundly cleansing and clearing essential oils, botanicals, cleansing herbs and Australian Bush Flower Essences. Space Clearing essence mist encourages a safe, sacred and harmonious environment.**

A cleansing skin treatment and part of your regime to clear negative energies.

An excellent accompaniment to any Essence Moisturiser.

Gently mist your beautiful face and body, or apply a small amount into the palm of your hand and apply to skin using a gentle pressing motion. Alternatively, spray into the air to create a safe, sacred and harmonious space.

- Clears negative energies
