

Antiseptic Bush

(Calocephalus ass. multiflorus)

The Cleansing Power of the Light

Healing Nature

The flower essence of staying true to one's journey and accepting into one's Life only that which will sustain and support the inner nature. For cleansing oneself of negative influences in the environment or a build up over time of such influences within oneself. This flower essence helps a person to be amongst the different aspects of Life and maintain inner sanctity by continual internal focus, alertness and not compromising the treasures of Life.

Spiritual Qualities

On our journey through Life there can be an accumulation of influences and energies which eventually cloud and disorientate us from our higher goals and aspirations. We can leave ourselves vulnerable to negative experiences by not focusing on where we are going. In this way we invite a range of experiences which can lead us away from our goals. Keeping ourselves fresh and alert to where a path can lead, keeps us on course for building worthwhile and positive experiences.
